Sample application form

Community Batteries for Household Solar – Stream 1

Version December 2022

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk * indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)
- Not for profit status

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select – Community Batteries for Household Solar
- Field 2 select – Community Batteries for Household Solar Stream 1

When you have selected the program, the following text will appear.

This grant opportunity will run over 4 years from 2022-23 to 2025-26.

The Community Batteries for Household Solar - Stream 1 Program (the program) will run over 4 years from 2022-23 to 2025-26. The program will deliver community batteries to support lower electricity bills and emissions, support storage of excess solar energy, and reduce pressure on the grid.

The objective of the program is to install, connect and operate community batteries in eligible locations listed at Appendix A. Stream 1 aims to deliver on the Government's commitment to deliver community batteries at 56 locations selected by the Government. Applicants can apply for multiple eligible locations. If you wish to apply for funding for more than one location at Appendix A, you must submit one application per location. Only one community battery can be installed in each location under this grant opportunity.

The minimum grant amount is \$100,000 and the maximum is \$500,000 per eligible location listed in Appendix A.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 24 February 2023. Please take account of time zone differences when submitting your application.

B. Eligibility

We will ask you the following questions to establish your eligibility for the Community Batteries for Household Solar – Stream 1 program.

Questions marked with an asterisk are mandatory.

- Select which type of entity your organisation is. *

 - an entity, incorporated in Australia (including where acting as trustee on behalf of a trust)
 - an Australian local government agency or body
 - a publicly funded research organisation (PFRO)
 - an Australian state/territory government agency or body
 - none of the above

You must select one of the eligible options from a drop down menu to proceed to next question.

- Do you declare that you have obtained, or can obtain access to a site for the community battery and associated equipment to be installed?*

Select from the drop down list

Yes or No

You must answer yes to proceed to next question

- Do you declare that the community battery is intended to continue to be operated in pursuit of the intended outcomes of the program for the operational life of the battery?*

Select from the drop down list

You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.

Where you are receiving other government funding you will need to provide details. You must provide letters of support from all project contributors, other than you, confirming the contributions towards the project.

G. Assessment criteria

We will assess your application against the indicators listed beneath each criterion. All assessment criteria are of equal weighting. We will only consider funding applications that score at least 60 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

G.1. Assessment criterion 1 (50 points)

You must respond to each indicator under the assessment criterion.

Your response is limited to 5000 characters per indicator including spaces and does not support formatting.

Project alignment with the policy intent (program objectives/outcomes)

You must show this by demonstrating:

- a. how your project will deliver on the program outcomes including:
 - put downward pressure on household electricity costs
 - contribute towards lowering emissions
 - provide a net benefit to the electricity network, having regard to matters such as network constraints
 - store solar energy for later use or sharing and support further solar installations
 - allow households that cannot install solar panels to enjoy the benefits of renewable energy through shared community storage.
- b. how your project will benefit the community and deliver on community expectations during and beyond the term of grant funding, including:
 - the details of planned or completed community engagement and social license on community battery locations and their operation
 - how many households will be serviced by the community battery
 - estimated cost reductions for serviced households.

G.2. Assessment criterion 2 (50 points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Capacity, capability and resources to deliver the project

You must show this by demonstrating:

- a. how you will manage the installation of a community battery in one or more eligible location(s) including risk management (such as safety) and compliance with relevant laws and standards.
- b. your capacity to install, operate and maintain the community battery for the life of the battery with licensed tradespeople where required.

- c. your access, or future access to, any infrastructure, capital equipment, technology, intellectual property and required regulatory or other approvals
- d. your experience and knowledge of the required regulatory and other relevant approvals, and your proposed approach to obtaining them
- e. your strategy to maintain momentum for the project beyond the term of grant funding.

You must provide a project plan to support your response to this criterion. The requirements of the project plan are outlined in section 7.1.1.

H. Project partners

You must provide details about your project partners.

For details about project partner contributions refer to the grant opportunity guidelines.

You must provide

- Other registration number where applicable
- Business address
- Postal address
- Contact details
- Project partner letter of support attached. Letter to include details of partner contributions.

I. Bank account details

I.1. Bank account details

If your application is successful we will need to set up a payment process to pay your grant. We need your bank account details to do this. If your application is not successful we will not process these details.

We can only pay grant funding to the applicant organisation, who if successful will be party to a grant agreement with the Commonwealth. You must provide bank account details for this organisation.

I.2. Account details

Account name

BSB

Account number

I.3. Payment contact

Given name

Family name

Email address

Phone number

J. Application finalisation

You must answer the following questions and add any supporting documentation required.

J.1. Conflict of interest

Do you have any perceived or existing conflicts of interest to declare?

L. Application declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
