## Sample application form

# Australia – UK Renewable Hydrogen Innovations Partnerships

Version September 2023

This document shows the questions included in the online application form for Australia – UK Renewable Hydrogen Innovations Partnerships. It will help you prepare your responses and the mandatory attachments you need before you apply online.

# Instructions

---

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

## Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk \* indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

## Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

## Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

## Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

## Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

## Getting help

If you require further assistance completing this form, [contact us](#) by email or web chat or on 13 28 46.

## A. Program selection

---

Before you start your application, we need to first identify what type of entity is applying.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN)

Where applicable, international organisations will need to provide

- country of registration
- registration number

### A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select - Australia – UK Renewable Hydrogen Innovations Partnerships
- Field 2 select - Australia – UK Renewable Hydrogen Innovations Partnerships

*When you have selected the program, the following text will appear.*

This grant opportunity will run over 3 years from 2023-24 to 2025-26.

The grant opportunity was announced as part of the Australian Government's investment in international collaboration on clean energy and technology with key strategic partners, and delivers on Australia's obligations under the United Nations Framework Convention on Climate Change and the Paris Agreement. Up to \$10 million is available for this grant opportunity.

The objectives of the program are:

- advance the development, innovation and application of hydrogen technologies, with goals of reducing costs associated with the development of a renewable hydrogen economy, industrial decarbonisation and accelerating the uptake of net zero technologies to reduce emissions.
- foster greater collaboration of businesses between Australia and the United Kingdom.
- leverage private and non-Commonwealth funding towards clean energy projects, technologies and their supply chains in Australia.

The maximum grant amount is \$2 million and the minimum is \$10,000.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEST 19<sup>th</sup> January 2024. Please take account of time zone differences when submitting your application.

## G. Assessment criteria

---

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

*The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.*

### G.1. Assessment criterion 1 (40 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Alignment with program objectives (40 points)

You should demonstrate this by describing:

- a. how your project will advance the development and innovation of hydrogen technologies, with the goal of realising a renewable hydrogen economy or supporting the decarbonisation of industry or transport sectors to reduce emissions and reach net zero by 2050.
- b. how your project will foster greater international collaboration between Australian and UK businesses to help reduce costs or create new economic or market opportunities associated with the large-scale uptake of clean hydrogen technologies in Australia or globally.
- c. how you are going to grow your business or increase long term productivity as a result of the project. Describe the tangible business or economic benefits your project will deliver by leveraging bilateral funding towards clean hydrogen projects between Australia and the UK.

### G.2. Assessment criterion 2 (40 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Capacity, Capability and resources to deliver the project (40 points)

You should demonstrate this by describing:

- a. you and your staff or contractors' track record managing similar projects and access to key personnel with the right skills and experience, including project management, research and technical expertise
- b. your collaboration with your UK partner, including governance arrangements and project management strategies, and the capability or support of international partners, including any existing research work and stage of maturity of the partnerships and linkages
- c. your access, or future access, to any infrastructure, resources, facilities, capital equipment, technology, intellectual property and required regulatory or other approvals you will use to deliver the project.

*You must provide a detailed project plan to support your response, including governance, division of project activities between project partners and risk management frameworks that address ethical technology use, foreign interference, technology transfer and other environmental, social, economic or political risks.*

*You must provide a detailed project budget demonstrating how funds will be used over the project period and any assumptions used in estimating eligible expenditure.*

### **G.3. Assessment criterion 3 (20 points)**

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### **Impact of grant funding (20 points)**

You should demonstrate this by describing:

- a. likelihood the project would proceed without the grant. Explain how the grant will impact the project in terms of size and timing.
- b. the total investment the grant will leverage
- c. how you will measure the success of your project.
- d. the wider impacts this project might have outside your organisation, e.g. economic, social, climate or environmental impacts on supply chains, industry, regions or communities.

## H. Project partners

## L. Application declaration

---

In order to submit your application you will be required to agree to the following declaration.

### L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

### L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
