

Automotive Transformation Scheme ATS Application for registration form

This form is for applicants for registration under the Automotive Transformation Scheme (ATS).

Please read the [ATS Introduction Guidelines](#) and [ATS Registration Guidelines](#) before filling out this form. These documents are available at www.business.gov.au/assistance/automotive-transformation-scheme

Application deadlines

Applicants may apply for registration **before** 1 January of the ATS year for which registration is sought. An application for registration will be processed within sixty days, unless further information is required.

Completing and submitting the application form

When completing and submitting this form follow any instructions provided in the *ATS Application for Registration Guidelines*.

Applicants wishing to access ATS must first fill in an application for registration form as a Motor Vehicle Producer (MVP), Automotive Component Producer (ACP), Automotive Machine Tool Producer (AMTP) or Automotive Service Provider (ASP). AusIndustry must approve an ATS application before the applicant becomes eligible to receive ATS assistance. Once registered under ATS, participants have an obligation to provide quarterly returns to claim assistance.

All values and figures should be recorded in full, as whole numbers. Do not use decimal points or round to the nearest thousand.

Please refer to the *ATS Application for Registration Guidelines*, the *Automotive Transformation Scheme Act 2009*, the *Automotive Transformation Scheme Regulations 2010* and the *Automotive Transformation Scheme Order 2010* for more details.

The *ATS Application for Registration* form can be sent by email to ats@industry.gov.au or by post to

Automotive Section
AusIndustry
GPO Box 2013
CANBERRA ACT 2601

A hard copy may also be left during business hours at any AusIndustry office. Please refer to Appendix 2 to locate a state or regional office near you.

Privacy and confidentiality

The confidentiality of information provided to AusIndustry, a division of the Department of Industry, Innovation and Science (the Department), by applicants for the ATS is protected by the relevant provisions and penalties of the *Automotive Transformation Scheme Act 2009*, the *Automotive Transformation Scheme Regulations 2010*, the *Public Service Act 1999*, the *Public Service Regulations*, the *Privacy Act 1988*, the *Crimes Act 1914*, the *Criminal Code* and general law.

Subregulation 6.5(1) of the *Automotive Transformation Scheme Regulations 2010*, allows the Minister to publish the following information about an ATS participant or a person who was an ATS participant:

- a. that the person is or was an ATS participant and the period of the person's participation in the Scheme;
- b. the amount of assistance paid to the person in an ATS year.

Subregulation 6.5(2) of the *Automotive Transformation Scheme Regulations 2010*, requires the Minister to publish a notice that the Minister has given a person named in the notice permission to:

- a. apply for registration as an ATS participant; or
- b. continue registration as an ATS participant;

on the basis that the registration would be in the national interest.

Detailed confidential information contained in applications may be disclosed for audit purposes to contractors engaged by the Department and to other Commonwealth agencies for audit, reporting and law enforcement purposes. Further, the Department may release confidential information if it obtains the applicant's consent or is required or permitted by law to do so. This could happen, for example, if the Department is required to respond to a resolution of the Parliament, or the order of a court.

Part C - Other group applicant details

Part C must be completed for each member of the group other than the principal applicant (whose details are provided in Part A).

C1 Application for registration as a group entity

A group of related bodies corporate can register for ATS as if the group were a single person.

A Group Entity Application for Registration must confirm the following:

- That the companies are seeking permission as a group of related bodies corporate within the meaning of Sections 9 and 50 of the Corporation Act 2001
- That the principal applicant has attached copies of documents that will substantiate that the applicant companies are related within the meaning of Sections 9 and 50 of the Corporation Act 2001
- That the applicant understands that if it is granted permission by AusIndustry to apply for registration as a group of related companies, the companies in the group must continue to be related, and if this ceases to be the case, the Secretary of the Department of Industry, Innovation and Science may withdraw his permission for the Group to be registered and deregistration may follow
- That the applicant understands that if the relationship between the group of related bodies corporate changes it will advise AusIndustry in a timely manner
- That the applicant understands that the granting of permission for a group of related companies to apply for registration as a participant in the ATS does not, in itself, entitle the group to receive ATS entitlements under the ATS Act 2009
- That a Part C of this form has been completed for each member of the group other than the Principal Applicant.

I agree with the above statements.

---- Please select ----

Please note that if the applicant is applying for registration on behalf of a group of related bodies, the application must be filled out as if the group were a single entity. AusIndustry may ask to see the individual group members' figures and therefore these should be kept. Go to next question.

The object of ATS is to encourage investment and innovation in the Australian automotive industry and to place the industry on an economically sustainable footing. The object is to be achieved in a way that improves environmental outcomes and promotes the development of workforce skills. As such, applicants are required to provide a business plan containing:

- details of the strategies that will enable the applicant to carry on sustainable operations in the Australian automotive industry for a 5 year period starting on 1 January of the year of registration; and
- operational plans, details of financial commitment and controls, financial projections (see Parts I and J) and assumptions on which forecasts are based; and
- details about how the applicant will meet the object of the Act, particularly economic sustainability, in a way that will improve environmental outcomes and promote the development of workforce skills; and
- current employment information including the number of employees and total manufacturing employees; and
- other particulars as required by the form in respect of the period or periods specified in the form

Business plans can be sent by email to ats@industry.gov.au or by post to:

Automotive Section
AusIndustry
