AUSTRALIAN SMALL BUSINESS
ADVISORY SERVICES PROGRAMME

Delivered by AusIndustry™

Australian Small Business Advisory Services (ASBAS) programme

This programme helps not-for-profit service providers to deliver low-cost business advice to Australian small businesses.

What does it offer?

This programme funds service providers across Australia to give small business operators, and intenders, professional, low cost advice.

Small businesses can access specialised and expert business support through relevant, low cost advisory services that are practical, flexible and focused.

- Advice regarding:
 - funding avenues and financial analysis
 - building your business
 - making the most of your talent and team
 - management capabilities
 - digital engagement implementation
- Low cost services can include:
 - diagnostics
 - business systems
 - mentoring
 - benchmarking and training

The advice and services are designed to help business:

- Achieve business goals
- Improve performance
- Develop accountability, strategy and focus

- Undertake business health checks and diagnostics
- Conduct market research and identify target markets
- Access up to date industry benchmarking
- Develop a business plan
- Improve bookkeeping processes and financial procedures
- Increase revenue and productivity through marketing and sales
- Build a referral network
- Enhance business skills through specialised training, events and workshops

Who can apply?

Small business or business intenders with 19 FTE staff or less.

Simply call or go online to request a low-cost advice session offered by your local provider – see list on page 2.

The programme is currently closed to further providers. When another funding round opens, information will be available on business.gov.au.

Where can I find more information?

Visit business.gov.au/ASBAS or call **13 28 46**.
